

Switching to another venue and another birthday, Bobby and I entertained our wonderful friend, Ruta Lee, and my favorite TV producer, Gloria Gebbia,

with an intimate celebratory dinner at our home in Los

Angeles. The weather this time was sort of mezzo-mezzo, but safely indoors, everyone had a fine time including Celebrity Society publisher Ada Sands and her ever-lovin' hubby, Leonard, Davida and Donald Lettiere, the Four Seasons' owners, Beverly and Bob Cohen, Ruta Lee and Webb Lowe, and, of course, Gloria's most devoted and loving hubby, John. Ruta and I love him, too. For five of the most fun-filled years we ever had, Gloria and John produced our half-hour T.V. talk show, "Talk of the Town." We traveled the world and interviewed at least 1000 of the VIP's that make the world go round.

Love to you all,
Toni

For now that's it.
